

THE OFFICE OF THE MAYOR

The Honorable ElloNT

Vancouver, Canada

Executive Order #2 - Public Sector Identification

Section I - Definitions

- a) A public sector agency shall be defined as any of the following agencies:
 - i) British Columbia Sheriff's Service
 - ii) Royal Columbia Mounted Police
 - iii) Parks Canada
 - iv) Correctional Service of Canada
 - v) Vancouver Fire and Rescue Services
 - vi) British Columbia Ambulance Service
 - vii) British Columbia Automobile Association
 - viii) Translink
 - ix) City of Vancouver Street Operations
- b) The 'show name' feature shall be defined as the in game mechanic that displays an individual's ROBLOX username above their in game character

Section II - Identification

- a) All on-duty public sector employees that are actively in-game shall be required to provide their full ROBLOX username and callsign currently in use in plain, comprehensible English, within 5 minutes after a request from a civilian
 - i) If an employee's 'show name' featured is enabled, they shall be exempt from this section
 - ii) If the specific agency an employee is on-duty for has their operations classified per the Security of Information Act, they shall be exempt from this section
 - 1) This shall take into account division placements; if an individual is in an unclassified agency but in a classified division within their agency, they shall be exempt
 - iii) If the employee is dealing with an urgent matter in which providing their identification would severely impact such duties, they may fail to present their identification on account of the matter

- 1) The resident requesting identification may wait until the matter is situated to reask for identification
- 2) An urgent matter includes any life-threatening situations, pursuits, and any other situation that would be interpreted as urgent by a reasonable peace officer
- iv) If the employee has been asked for their identification multiple times within the past twenty (20) minutes by the same Resident, they shall be exempt from this section

Section III - Disciplinary Action

- a) Violation of this Executive Order shall result in the following disciplinary action
 - v) First offense: no action greater than a verbal warning
 - vi) Second offense: no action greater than a written warning
 - vii) Third offense: no action greater than a suspension
 - viii) Fourth or more offense: any action deemed reasonable by agency administration
- c) The disciplinary action hierarchy shall be fluid and offer mere guidelines - the issuer of disciplinary action shall use their best judgment to issue the action that is most fair and reasonable given the situations
- d) This executive order shall not be considered as common law or statute, nor shall it empower the right of receiving identification to the Residents of Vancouver
 - i) This Executive Order is an Executive policy to ensure that public sector agencies identify themselves when needed
 - ii) This section is intended to prevent violators of this Executive Order from having civil litigation filed against them
- e) The administration of public sector agencies shall enforce this fairly and objectively to all employees of their agency

Section II - General Provisions

- a) Failure to abide by this section will result in mayoral action, including but not limited to dismissal from the Mayor and/or grounds for neglect of duties in a motion of no confidence
- b) This Executive Order shall go into effect on December 10th, 2022, at 8PM Eastern Standard Time

Signed,

Mayor of Vancouver
